

## FILTER SLEEVE DIRECTIONS

The Filter Sleeve enhances the filtering efficiency of the standard cartridge filter in your spa. It is designed to work with our Natural Swim Spa Water Treatment System.

**DIRECTIONS:** Remove the spa cartridge filter from your spa. Wrap the Filter Sleeve around the spa cartridge filter and secure it firmly with the attached fabric ties. Reinstall the unit in your spa.

The Filter Sleeve is designed to fit most spa cartridge filters. The sleeve is based on area coverage and may or may not cover your entire spa cartridge filter.

Clean the Filter Sleeve weekly by spraying with high pressure water from your sink or garden hose.

**Monthly:** Soak the sleeve in 1 cup of white vinegar for 1 hour, rinse well and then reinstall in spa.
